SUBJECT : Comments by Deputy Director (Administration) on
Certain Army Officers Retiring 30 August 1954

REFERENCE : Memorandum from Chief, Planning and Program Coordination Staff, Deputy Director (Plans), to Deputy Director (Administration), dated 2 September 1954

1. The referenced memorandum was received in this office several weeks ago, accompanied by a rather extensive brochure published by the Career Management Division, Department of the Army, which contained personal resumes and photographs on a significant number of field grade officers of the Army scheduled for retirement.

2. Since [redacted] mentioned in his memorandum that the Deputy Director (Plans) is interested in the possibility of the selective recall to active duty of certain of these officers, and because he adds that the Assistant Director for Personnel could make the necessary arrangements, Colonel White has asked that I inform you of his willingness to cooperate with potentially interested parties in supplying additional information on those officers whom he personally knows or has knowledge concerning their capabilities.

3. Colonel White also asked me to mention that there is current interest in the Deputy Director (Administration) area in two of these officers: Colonel [redacted]. Both of these officers are of interest to the Logistics Office, in connection with a possible assignment as Chief of Program Planning there. Colonel White knows both officers concerned.
